OPEN 2011

You are cordially invited to participate

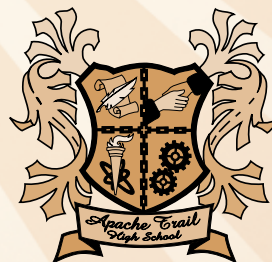

in the inaugural *Apache Trail High School Wolfpack Open*. This four-person scramble is a fundraiser to help our Apache Trail High School football team raise money for travel, equipment and uniforms. Join us for a fun time with your local community. We will match you up with team members if you do not have a full team to register. You will also have a chance to win great prizes; and lunch will be provided.
